

2020 MEAT CSA SHARES

- Contents of packages will vary month to month based on what we have available and the season. For instance in the summer we will include items that can be easily grilled, or in winter a small roast to crockpot. Each package will contain a variety of cuts (not just ground beef, steaks or bacon).
- **Pick up will be at the farm on the first Saturday of every month from 9am to 2pm.** Buyer is responsible for picking up packages at the farm during the designated time and dates, or making arrangements ahead of time if there is a conflict.
- CSA Members have first pick for seasonal add-ons from the farm. Members have a chance to order seasonal items before they are available to other customers. Those may include eggs, whole chicken, lamb, veggies/berries, canned goods (jams, sauces) at a per item cost.
- Meat is frozen. Please bring a cooler if desired for pick up, a bag or box.
- Payment can be made in full at the time of sign up. For 6 or 12 month CSA options payments each month are acceptable but due the week before pick-up.
